ARTISAN CRAFTED  
CHOCOLATES

**TODAY, CHRISTOPHER CURTIN IS PROUD** to share his art and experience with you through Éclat Chocolate, but his journey to become a Master Chocolatier began more than two decades ago.

He set out from Madison, Wisconsin, to the House of les Compagnons du Devoir, the premier guild for Pastry Chefs in France. It was here that he worked alongside the best journeyman pastry chefs in Europe and became the first American to be awarded the honor of German Master Pastry Chef and Chocolatier in Cologne, Germany.

Now in the realm of the world's top chocolate makers, Christopher continued to work with the masters, honing his skills in the finest chocolate houses of Belgium, Switzerland, France, Germany, and Japan, and sharing in the greatest of secrets and techniques that make eating Éclat Chocolate a unique experience you won't forget.
